New Moon Bar Stool – White

SKU: BS-NM-WHT
Category: Chairs, Bar Stools, Free Shipping
Condition: New

£49.95 ex-VAT

Description

New Moon Bar Stool – White
A padded faux leather bar stool with an electroplated steel frame. The New Moon seat is 47cm wide and 50cm deep — a broader footprint than most commercial bar stools — making it a more comfortable choice for long evenings where guests stay seated through drinks service. Overall height 78cm. White finish.
The frame is electroplated rather than painted. The finish bonds to the metal surface through an electrochemical process, which makes it harder and more resistant to chipping than a painted or powder-coated alternative. The seat padding is thick faux leather, firm enough for heavy commercial use and wipe-clean for rapid turnover between events.
Typical Uses
The white New Moon suits venues and events where a clean, light aesthetic is the priority: wedding bars, bridal fairs, boutique hotel foyers, and product launches. It pairs with white poseur tables and ghost chairs for an all-white cocktail look, or with natural wood and linen for a relaxed garden party setup.
Buying in Bulk
Venues and hire companies typically buy bar stools in quantities of 20, 50, or 100. Two ship per carton. For cocktail arrivals and networking sessions, a rough guide is one stool for every two standing guests. The white finish photographs cleanly under event lighting — a practical consideration for stylists and branded hospitality shoots.
Pairing Suggestions
The white New Moon pairs with white poseur tables or Poseur Table – Metallic Silver for a contemporary bar setup. For mixed-height seating, combine with standard-height chairs in white or natural finishes. If you need more stools in a tighter run, the Chester at 37cm wide fits more chairs along a counter without reducing comfort.
Care and Maintenance
Wipe the faux leather seat with a damp cloth after use. Avoid abrasive cleaners. The electroplated frame cleans with a dry or slightly damp cloth. Check frame joints periodically, particularly where the seat bracket meets the uprights. Store dry.

Seat dimensions: 47cm wide × 50cm deep
Overall height: 78cm
Frame: electroplated steel
Seat: padded faux leather
Finish: white
Available in: black, white
Use: indoor and covered outdoor
