Producer Bar Stool – Black

SKU: BS-PRD-BLK
Category: Chairs, Bar Stools, Free Shipping
Condition: New

£59.95 ex-VAT

Description

Producer Bar Stool – Black
A padded faux leather bar stool on an electroplated steel tube frame with 1.8mm wall thickness. At 50cm wide and 38cm deep, the Producer has a wider front than the Chester but a shallower seat. Overall height 92cm, suited to standard bar-height counters. Black finish.
The 1.8mm tube wall is heavier gauge than most entry-level bar stools. The seat padding is thick faux leather, wipe-clean, and firm enough for repeated event use. The electroplated frame resists chipping better than painted or powder-coated alternatives.
Typical Uses
Bar counters, poseur tables, and high-seating areas in events, venues, and hospitality. The 92cm height matches standard bar-height furniture. Event hire companies use the Producer where frame durability through repeated hires is the priority. It suits venues that need a conventional upright bar stool profile on a robust frame.
Buying in Bulk
Two stools ship per carton. Volume pricing applies from 10 units. For bar counter layouts, allow 60–65cm per stool for comfortable spacing.
Pairing Suggestions
The black Producer pairs with black poseur tables, metallic silver poseur tables, and standard-height banqueting tables where a high-seating guest row is part of the layout. For a mixed-height room, combine with folding or banquet chairs at standard tables to keep a consistent black finish.
Care and Maintenance
Wipe the seat with a damp cloth after use. Avoid abrasive cleaners. The electroplated frame cleans with a dry or slightly damp cloth. Check frame joints periodically, particularly at the seat bracket. Store dry.

Overall dimensions: 50cm wide × 38cm deep × 92cm high
Frame: electroplated steel, 1.8mm wall thickness
Seat: padded faux leather
Finish: black
Available in: black, brown, grey
Use: indoor and covered outdoor
See the Bar Stool Buying Guide for height matching and range comparison.
