Producer Bar Stool – Brown

SKU: BS-PRD-BRN
Category: Chairs, Bar Stools, Free Shipping
Condition: New

£59.95 ex-VAT

Description

Producer Bar Stool – Brown

A padded faux leather bar stool on an electroplated steel tube frame with 1.8mm wall thickness. At 50cm wide and 38cm deep, the Producer has a wider front than the Chester but a shallower seat. Overall height 92cm. Brown finish.

The 1.8mm tube wall is heavier gauge than most entry-level bar stools. The seat padding is thick faux leather, wipe-clean, and firm enough for repeated event use. The electroplated frame resists chipping better than painted or powder-coated alternatives.

Typical Uses

The brown Producer suits venues and events with a warmer, natural palette: rustic barn weddings, garden parties, whisky and beer festivals, and private members' clubs. Brown works alongside wood-effect tables, rattan furniture, and hessian styling. It is less versatile across different event types than black, but a better match when the brief calls for it.

Buying in Bulk

Two stools ship per carton. Volume pricing applies from 10 units. For bar counter layouts, allow 60–65cm per stool for comfortable spacing.

Pairing Suggestions

The brown Producer pairs with wood-finish poseur tables, trestle tables, and natural wood banqueting furniture. Combine with brown or tan linen for a consistent warm palette. Mix with black stools at a bar end for contrast.

Care and Maintenance

Wipe the seat with a damp cloth after use. Avoid abrasive cleaners. The electroplated frame cleans with a dry or slightly damp cloth. Check frame joints periodically. Store dry.

Overall dimensions: 50cm wide × 38cm deep × 92cm high
Frame: electroplated steel, 1.8mm wall thickness
Seat: padded faux leather
Finish: brown
Available in: black, brown, grey
Use: indoor and covered outdoor
